

490A - Assignment 2

To be completed in a group (no more than 4). Brainstorm and come up with 4 different projects ideas, we will share these next class and will try to elaborate on what consists a good project/topic and how we can improve on these ideas.

Deliverables: Hand in a separate printed hard copy of these brainstormed project ideas in the beginning of class, one sheet per group with each team members name on it. Make another copy to keep with the group for class discussion.
